short 5 long

3

Begin at the start of any segment. Once the segment is completed, move to another by following the arrowed paths, adjusting dynamics as indicated. Notes with slashes through them ( $\frac{\text{---}}{\text{---}}$ ) indicate to play a different pitch each passing; the pitch can be chosen from a maximum of 4 semitones above or below the indicated pitch.

ca. 2-3 minutes

gradually slow down strumming, speeding up attacks
